

国际医学期刊编辑委员会关于 eCRF 系统 公开临床试验原始数据的表态

Dear Dr. Wu:

Thank you for your inquiry.

The ICMJE would not consider posting of raw clinical trial data in the form of eCRFs on the www.clinicaltrialecrf.org website as previous publication. We would agree that making those data available serves the interests of transparency and is not in violation of our policy.

We appreciate your interest in ICMJE.

Sincerely,

Michael Berkwits
Secretariat, ICMJE

亲爱的吴医生：

感谢您的询问。

国际医学期刊编辑委员会不认为 www.clinicaltrialecrf.org 网站上将临床试验原始数据放在 eCRF 表里是预先发表，我们同意将那些资料公开使其透明，这不违背我们的政策。我们赞赏您对国际医学期刊编辑委员会的兴趣。
